Welcome
Back to
SCHOOL

School is Back in Session!

We would like to wish all of you who are returning to school this month a wonderful first day of school! We also want to remind everyone to be very careful while driving thru the community and to keep an eye out for children and buses. Please obey the posted 15 M.P.H. speed limit, all the stop signs and always drive the correct direction around all the roundabouts.

PARKING

Please do not park in the carports unless you are paying for one. The carports are assigned to residents that pay for them. If you would like to have an assigned carport for \$35.00 /month please contact the office and get a sticker for your vehicle. Do not park in the roundabouts. Violators will be towed at their own expense. Remember that your guest need to park up by the office or by building 28.

KIDS IN THE CLUBHOUSE

Please remember children under 18 years of age must be supervised by an adult at all times at the clubhouse. Per your lease agreement children are not allowed to have possession of your access card. This policy is in place for your children's safety and to protect you from any damages that could be caused to our property. Kids are not allowed on games such as pool table, etc. without supervision! Violating this policy could result in loss of privileges, fines and possible legal action if vandalism occurs. Please make sure your children do not have possession of your card.
