Trick-or-Treat!

The Waterways will be hosting its Annual Halloween Spectacular Open House all day long on Wednesday, October 31st, 2018. We will be handing out treat bags to all the little Boils and Ghouls while supplies last. Please be extra careful while driving this Halloween and keep an eye out for all of our little Haunters! We wish everyone a frighteningly good

1st TIME FURNACE USE:

With the weather outside cooling down we know you will be breaking out your fall wardrobe and using your furnaces soon. Please keep in mind that when turning on the heat for the first time it is normal to smell a slight burning odor. Don't worry, its just dust burning off the beating coil and should-n't last long. Also your filter is reusable, make sure the filter is clean and dry before reinstalling.

BREEZEWAYS AND PATIOS:

Please be reminded that personal items such as trash, toys, bikes, strollers, etc. are never to be stored in the breezeways or patio areas. Cloths lines are prohibited. Trash must be placed inside the dumpsters and never left outside doors and patios. The areas in the breezeways under the stairwells are blocked off per local fire codes for safety reasons, not as a storage area. Please keep your patios and decks tidy in order to maintain the beautiful curb appeal we have here at the Waterways. If you require additional storage please contact the office to rent a garage. Please do not allow children to use sidewalk chalk on our property. It can create quite a mess if tracked in on carpet and our guys have to spend a good amount of time power washing it up. Your cooperation is appreciated by our staff and your neighbors.

PARKING:

Please remember that your neighbors are paying for the carports and garages and you should not park in anyone else's spot. If you wish to rent a carport or garage please contact the office and we will be happy to assign you one. Please remember if you are in Building 5 and Building 6 there is parking behind buildings to alleviate some of the parking issues. Also for parking on Cuivre Drive there is parking behind building 28 and plenty of parking up front my the clubhouse. Do not park in the roundabouts. Violators will be towed at their own expense.
