Valentines Day, celebrated on February 14th every year, is traditionally known as a couples holiday. Some people absolutely adore Valentines Day and others absolutely dread it. To some it is a day to renew or declare their affections and for others it is a day for indulging in a pint of their favorite ice cream.

Valentines Day doesn't only have to be about romantic love. Whether you're happily attached at the hip or single and ready to mingle, Valentines Day can be seen as an opportunity to spread a little love to everyone around you! It can be a day to show appreciation to all of the people in your life or even to share a kind word with a complete stranger.

The Waterways wants you to know that  we all of our residents!

Don't Forget

Rent is due on the 1st of the month. You have a grace period to the 5th and rent is late as of the 6th. Always remember to write your apartment number on your check.

Help Yourself to Ice Melt

February 2nd is Groundhog Day. Lets all hope Punxsutawney Phil doesn't see his shadow so we can have an early spring! Just in case he does see his shadow please feel free to pick up some complementary ice melt at the office in the mail box area.

Paid Parking

Please remember that your neighbors are paying for the carports and garages and you should not park in anyone else's spot. If you wish to rent a carport or garage please contact the office and we will be happy to assign you one. Please remember if you are in building 5 and building 6 there is additional parking behind these buildings. Also for parking on Cuivre Drive there is parking behind building 28 and plenty of parking up front by the clubhouse. Do not park in the roundabouts. Violators will be towed at owners expense.

Spread the Love Party

Come to the clubhouse on February 13th, 2019 for "Spread the Love" happy hour from 4:00pm to 6:00pm. We will have snacks and drinks.
